A CRYSTALLIZABLE THERMOPLASTIC
AND HAVING ADDITIONAL FUNCTIONALITY

Statement in Reply to Notice of Abandonment for Failure to Pay the Issue Fee

Commissioner for Patents
Alexandria, VA 20231

Charlotte, North Carolina
October 11, 2006

Sir:

In response to the Notice of Abandonment for Failure to Pay the Issue Fee mailed October 9, 2006 enclosed are: (1) Petition fee (credit card form); and (2) copy of the Part B- Fee(s) Transmittal prepared for facsimile transmission August 29, 2006 with issue fee (credit card form); and (3) Statement on Page 2 that the entire delay was unintentional.

Statement begins on Page 2 of this paper.

Docket Number: 09/779,156
Docket No.: 00/053 MFE
Page No.: 2

STATEMENT

The entire delay in filing the required reply, i.e. Issue Fee, from the due date for the required reply until the filing of a grantable petition under 37 CFR 1.137(b) was unintentional. In particular, the issue fee was prepared for payment via facsimile transmission to the United States Patent and Trademark Office on August 29, 2006. Unfortunately, the Part B – Fee Transmittal with credit card form and cover sheet were erroneously facsimiled to the foreign associate and not to the United States Patent and Trademark Office. Revival was initiated as soon as the error was discovered.

CONCLUSION

It is not believed fees are required, beyond those which may otherwise be provided for in documents accompanying this paper. However, in the event that additional fees are necessary to allow consideration of this paper, any fee required is hereby authorized to be charged to Deposit Account No. 50-2193.

Respectfully submitted,

Cathy Moore
